

## **BTPO Contract**

2016-2017

The Boys Team Parent Organization (BTPO) supports the training and competitive experiences of United Gymnastix's boys team. Every member of a United Gymnastix competitive team, including girls team and tumble team, is a member of their respective Team Parent Organization.

The BTPO is a volunteer group of parents representing the competitive boys team; its primary function is to raise funds by collecting monthly dues in order to coordinate meet registration and coach reimbursement. The BTPO is a not-for-profit entity; all monies collected from dues are used for expenses including, but not limited to, USAG registration, meet fees, coach payment, and reimbursements.

United Gymnastix, Inc. (UGI) is the private gymnastics business. UGI collects monthly fees and provides coaching for both practice sessions and competitive meets. UGI fees are separate from BTPO dues.

BTPO dues are collected monthly, September through June, and are to be remitted by the 15<sup>th</sup> of each month. Checks are to be made out to BTPO and placed in the BTPO mailbox located on the far side of the cubbies in the lobby. Accounts more than 30 days past due will result in your gymnast being withheld from competitions. The BTPO's budget and ability to remit payment for meet registrations is dependent on regular and timely payment of dues.

All gymnasts are required to purchase a competitive uniform. Uniform fittings are typically during the summer months; payment for uniforms is due at the time of order.

All UGI competitive team families are required to volunteer at the United Winterfest Meet, typically held during the second week of January. Volunteers must work a predetermined number of sessions in addition to either set up or tear down. Any family unwilling/ unable to participate will be assessed a fundraising fee.

By signing below, all terms and conditions of this contract are agreed upon by all parties involved.

Gymnast's Name: \_\_\_\_\_

Parent/ Guardian's Name: \_\_\_\_\_

Parent/ Guardian Signature: \_\_\_\_\_
