

A Party at

Is 1 1/2 hours of fun!

During the first hour your guests enjoy a group warm-up, movement games, and then gymnastics using our equipment-like the obstacle course, bars, trampoline, foam pit, parachute, and more!

The last 30 minutes spent in the party room are up to you. You may wish to bring decorations, cake, ice cream, or pizza.

To get the most of your playtime in the gym, our parties do not allow time to open presents. We ask that you please save the gifts to unwrap at home.

When can I schedule a party?

We offer parties on Saturday at 4:00 and 6:00; or Sunday at 10:00, 12:00, 2:00, and 4:00.

Other times may be available upon request. Our party slots fill quickly, so we recommend reserving your date at least 8 weeks in advance.

How do I register?

Call first to make sure the date and time you want for your party are available. Then fill out the Party Application Form on the back of this brochure. Bring or mail the completed form, plus a non-refundable deposit of \$50, to the gym. (You may pick up your invitations then.)

Sorry, we cannot reserve your date and time without a deposit.

What should my guests wear?

Dress comfortably. Leotards, sweat clothes, T-shirts, and shorts are all appropriate. Avoid clothing with zippers and buttons. Bare feet are best, and long hair should be tied back. No jewelry, please.

How much does it cost?

Non-member;

\$195 for up to 15 children

\$245 for 16-25 children

Members may take \$10 off prices.

Make checks payable to U.G.I.; we also accept Visa/MC/Discover. Full payment is due on the day of the party.

Can I tip my party leaders?

Tips are always appreciated for exceptional service but not mandatory.
